Complementary Emergency Social Safety Net (C-ESSN) Project

The Complementary Emergency Social Safety Net (C-ESSN) Project is a cash-based humanitarian assistance project designed to support people in need living in Türkiye under Temporary Protection, International Protection or Humanitarian Residence Permit, who remain in the "most vulnerable" situation as they cannot be referred to livelihoods, to meet their daily basic needs in a dignified manner.

The C-ESSN Project, funded by the European Union, is implemented in collaboration with the Ministry of Family and Social Services and the Türk Kızılay, with support provided through KIZILAYKART.
